Step 1	Filter in column E for **obligatory indicators** and assess wich ones are obligatory in the case of your intervention.		26-02-25
Step 2	Filter in column B using the word "GERF" and assess if the GERF proposed are relevant for measuring your results. Other criteria to assess if the indicators filtered are relevant for you are the **Key Words (G) Indicator's likely level (D)** and the **Indicator's disaggregation criteria (F)**. GERF indicators should be given priority if they are relevant.		166
Step 3	Filter by Key words in column G using the word "**Horizontal**" and assess if the indicators proposed are relevant for measuring your results. Other criteria to assess if the indicators filtered are relevant for you are the **Indicator's likely level (D)** and the **Indicator's disaggregation criteria (F)**.		
Step 4	Filter by Key words in column G using other **Key Words** and assess if the indicators proposed are relevant for measuring your results. Other criteria to assess if the indicators filtered are relevant for you are the **Indicator's likely level (D)** and the **Indicator's disaggregation criteria (F)**.
